For next week:

Parents, your children are a gift not only to you, but to our church. We love them and all their wiggles and noises. The sound of children in our church is a reminder that God is growing His church from the inside — He keeps His promises!

At SkyPointe, we want you to have the freedom to worship the risen Christ as a family. Please know that your children are not a distraction. They belong right here with God's people where you have faithfully brought them. We do have a nursery for babies and small children if needed, and the cry/wiggle room is available to whomever may need it.

As we worship together as a church family this morning, we hope you will consider these suggestions to enhance your child's understanding of what we are doing:

- Feel free to sit towards the front where it is easier for your children to see what's going on.
- Quietly explain the parts of the service. Please utilize the children's bulletin to guide your children through the sermon. They can also just color all over it.
- If you have to leave the service with your child, please feel free to do so, but please come back. As Jesus said, "Let the little children come to me".

“Our duty is found in the revealed will of God in the Scriptures. Our trust must be in the sovereign will of God, as He works in the ordinary circumstances of our daily lives for our good and His glory.” — Jerry Bridges
