

Sermon Notes

For next week: Colossians 3:1-17

Parents, your children are a gift not only to you, but to our church. We love them and all their wiggles and noises. The sound of children in our church is a reminder that God is growing His church from the inside — He keeps His promises!

At SkyPointe, we want you to have the freedom to worship the risen Christ as a family. Please know that your children are not a distraction. They belong right here with God's people where you have faithfully brought them. We do have a nursery for babies and small children if needed, and the cry/wiggle room is available to whomever may need it.

As we worship together as a church family this morning, we hope you will consider these suggestions to enhance your child's understanding of what we are doing:

- Feel free to sit towards the front where it is easier for your children to see what's going on.
- Quietly explain the parts of the service. Please utilize the children's bulletin to guide your children through the sermon. They can also just color all over it.
- If you have to leave the service with your child, please feel free to do so, but please come back. As Jesus said, "Let the little children come to me".
